Have posted various legislative alerts and status of bylaws

Neogram – Chair/editor Heather Welty

Via email -We are still revising the Winter Issue - we still have no cover story from Jim or Carlo on Achille despite numerous emails to both. We still have not been able to get a hold of Anita Goetz who has paid for ads. The number she gave us is disconnected. We still have not gotten any copy or pictures from Lena Moles who wanted to buy one of the inside covers. We got word this week to include the membership list in this issue so I am currently editing that again. We will be trying Lamb printing this issue to try and further cut costs. I do not have any submission from Rescue (I was told they wanted to submit something) so it will not be in this issue. For the future, Rescue submit copy to the gmail account. Next year we are going to get stricter on the deadlines of the Neogram.

1. 2009 Membership renewal has not been mailed since the BOD has not made a determination if the 2009 membership dues will stay at \$35 or increased to another amount. As soon as the 2009 membership dues are determined, the membership renewal and new COE will be mailed by me.

Also, please confirm the exact 'extension' date for 2009 membership renewal with me prior to my having everything printed and mailed to the membership.

If there is something else that needs to be mailed with membership renewal and COE, please let me know.

2. Will members be allowed to renew 2009 membership via paypal?

The attending board members discussed the above points. It was decided to leave the dues at the present rates due to the following: (1) it would take more time to email for a discussion, motion and then vote and (2) in light of the economic times. Extension date is March 1st of 2009. Will need to add permission slip for information on website, a notice that there is a charge for use of PayPal and there will be a personal preference for the \$5 – rescue or Neogram. Yes, members will be able to use PayPal. A note should be added that all paperwork must be submitted or no information will be on the website.
