We thank everyone who sent a state-basket. We thank Carol Armbrust who worked hard and long to develop and build and send some fabulous pottery.

Extra special thanks and applause goes to Mike & Gay McDonald, Dell and Anthony Hatch and Peggy Wolfe who set up the auction, set up the dinner tables, and helped run the auction to wild excitement. Anthony was our auctioneer and what a great job he did too!

We have to recognize Rachel Hosking and her parents who packed endless boxes, drove them here and toted them in and out and helped set up and do more, always with a smile. Everyone on the show committee worked very hard this year, spent hundreds of \$ of their own money to create and build a lovely show for our club.

And a really important shout-out goes to our show chair, Mike McDonald, who hides frustration well behind a charming accent and a great hat!

And appreciative thanks to Mike's lovely wife, club member Gay McDonald, who decorated our banquet room with amazing elegance and who, throughout a tough weekend, behaved with great style and enviably graceful manners. A truly classy person.
